

ADE Now Represents Gripple!

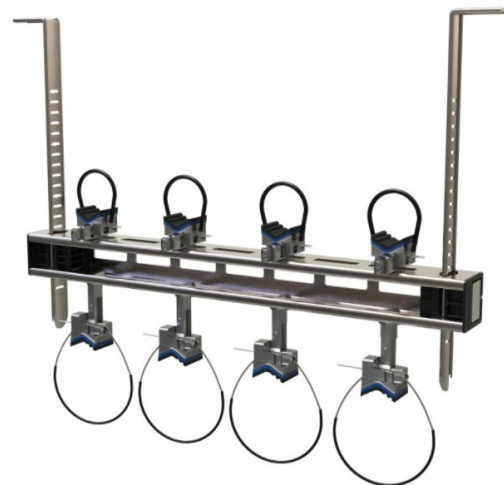

ADE is excited to announce we have entered a new representative agreement with Gripple! This gives us access to their wide variety of suspension solutions for ductwork, equipment and pipe. Gripple began production on their line of hangers in 1985, and have continued to add new and innovative products to their line since! Contact the ADE Team to learn more about these products!

Gripple can offer solutions for:

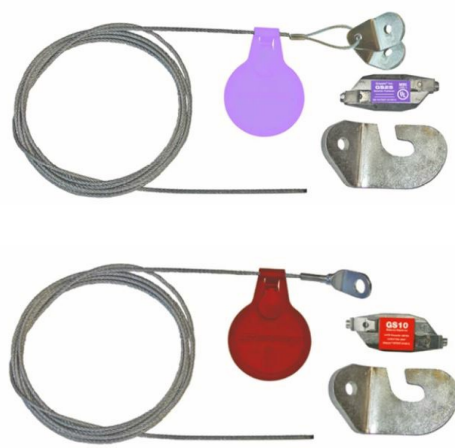

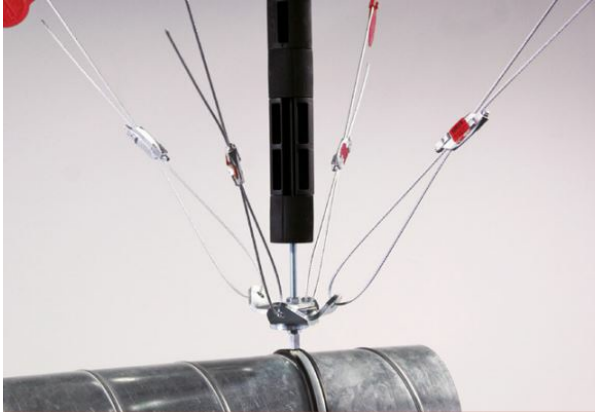

- Suspended HVAC Equipment & Ductwork

- Pipe Supports, Brackets & Hanging Systems

- Seismic Bracing Protection

- Acoustic Suspended Ceilings, & Much More!

Want to learn more about the Gripple family of products? Please visit Gripple's website, contact our Engineering Quick Assist email or contact your ADE Salesperson for more information or to schedule a presentation
